We met with Ms. Karalekas on 1 October 1975 to discuss the request for information set forth in Mr. Bader's letter of 24 September 1975. After discussion, Ms. Karalekas and we agreed to the following:

1. The information requested in questions (1) through (6) will be supplied by 10 November; the information requested in questions (7) and (8) by 24 November. Apparently, there is no great urgency, but we promised to submit the information in advance of the deadline specified if possible.

2. With respect to questions (7) and (8), we discussed the availability of information for the year 1950. Per agreement with Ms. Karalekas, we dropped that part of the requirement in both requests and will only supply the information for the years 1955, 1965 and 1975.
